About me
I'm Sahil a student of KIET Group of Instituition persuing Btech Cse AIML , dedicated undergraduate student passionate about web development and clean, accessible design. I enjoy turning ideas into simple, responsive interfaces using semantic HTML and CSS fundamentals.
I'm seeking opportunities to contribute to real-world projects, grow with a supportive team, and build a strong foundation for a career in technology.

Skills & projects
Below are selected skills and projects. Each card includes a title, short description, background color, and border.
Responsive HTML & CSS
Built accessible, semantic layouts with media-friendly components and clean structure.
Portfolio Website
Developed a multi-page site using a shared navbar, float-based about layout, and flexbox cards.
Landing Page Mockup
Designed a simple landing page focusing on typography, spacing, and visual hierarchy.
